

ARCHER NAME _____ GRADE _____

Spencer Archery Team

TOURNAMENT AVAILABILITY SHEET

PLEASE READ THE FOLLOWING INFORMATION, FILL OUT AND SIGN BY PARENT AND ARCHER. Turn in at practice by Tuesday, **November 11th**.

- Please indicate your availability for each tournament Saturday below. We will refer to this when building rosters, so your accuracy is important. **Locations are subject to change – not all schools have not added their tournaments, or have them as “save the date”.**
- NASP requires each divisional team (HS, MS, Sacred Heart) to have as many as 24 total archers with 4 being of the opposite gender. What this means is not all archers will have a spot on each tournament roster. Archers are chosen by average scores, attendance, availability, behavior (practice, school, community) & grades.
- Archers may NOT drive themselves to out of town tournaments.

I wish to participate on the 3D Team, if eligible _____

Activities I also participate in that may conflict with archery are:

Work _____ Speech _____ Wrestling _____ Swim _____ Dance _____ Band/vocal: _____ Theater _____
Basketball _____ Other _____

Date	Location		
12/7/24	Emmetsburg Bullseye & 3D	YES	NO

* State and ** National tournaments depend on **eligibility (scores)**, availability of flights and fundraising. We will update archers on team progress for State throughout the year. A decision to attend Nationals will be made after the State Tournament.

(more information on reverse)

2024-25 Archery Team Member Contract

- **Archers are expected to accept direction from coaches without complaining or arguing.** If you want a reason, you may ask in a respectful tone. Archers will follow directions the first time given. Coaches are volunteers and are donating their time to help you become a better archer.
- **For everyone's safety, Archers are required to follow the whistle signals given by the coach during practice and WILL NOT whistle on their own.** Violation of this will result in the archer sitting out and a parent being called.
- **Archers will be on time for practice.** If you are more than 5 minutes late, you will wait outside until someone can let you in. The door is in front of the shooting line. It is your responsibility to get checked in by your coach at practice.
- **Archers MUST stay in the area assigned to Spencer Archery.** This means the gym and bathrooms. If you are found in any other area, you will sit out of practice and a parent will be called.
- **Speak quietly during practice and keep your hands to yourself.** The gym echoes and it will be unpleasant if archers are being loud. If you miss instructions or are a disruption, the coach may have you sit out a round or shoot with fewer arrows.
- **Use of inappropriate language is unacceptable.** It is disrespectful to coaches and a poor example for younger archers.
- **Cell phones are not permitted on the range.** They will be kept in your bow case during practice. If you want a picture of your target, ask a coach first. All other electronics will be put away during practice.
- **Tournament slots are filled based on attitude, effort, attendance, academic eligibility and score.** Archers must attend 2 practices a week, post 1 score a week and maintain passing grades in order to be eligible to shoot in a tournament.
- **High School grades will be checked at semester and before Nationals.** Per school policy, if you have an F, you are ineligible to compete for 30 days.
- **Participating in tournaments is a commitment to yourself and your team.** If you cancel less than 24 hours before a meet, or no-show the morning of, you will not be eligible to shoot in the **next two tournaments**. Your no show means you caused someone else to miss an opportunity to compete. If your absence is caused by illness or family emergency, this requirement may be waived by the Board.
- **Practices are for archers only. No friends are allowed to hang out in the gym.** An adult family member may watch practice from behind the waiting line.
- **We are all a part of one team – bullying and harassment will not be tolerated.** Archers should first approach the coach leading the practice, then call Tracy at 712-240-2634.

By signing this contract, you understand these rules and agree to follow them. As a parent, you accept that you may be called in to remove your archer from practice if they are disrespectful or disruptive.
